The Renaissance Spirit Award is given to the student who through his or her actions has lived the mission of the school.

Our mission states:
The Renaissance Charter School is based on the conviction that a change in the destiny of a single individual can lead to a change in the destiny of a community, nation, and ultimately humankind. Its mission as a Pre-K-12 school is to foster educated, responsible, humanistic young leaders who will through their own personal growth spark a renaissance in New York. Its graduates will be global citizens with an abiding respect for peace, human rights, the environment, and sustainable development.

This year’s award is given to Tenzin Damdul.
